

Boise Chordsmen presents 3rd Annual High School Vocal Contest

In response to last year's Youth Barbershop Festival where 700 vocal students were taught and entertained by Ringmasters, the chapter agreed to sponsor a new contest blending the high school vocal contest with its existing A Capella Fusion program. The contest was held on January 29, 2015. Competing groups were sifted down to the top three groups, with the audience involved in selecting the winners. "The Refreshments," "Something Clever," and "Pure Notes" blew the audience away with their voices and showmanship and were presented with prizes and accolades.

More than \$900 was raised and divided among several nonprofit groups, including the Boise Rescue Mission.
