

“DejaVu”

“DejaVu” loves the Christmas Season where we are afforded the opportunity to sing at the Coeur d’alene Resort Hotel for three- hour gigs throughout the Christmas Season from Thanksgiving to Christmas. We also sing at the Coeur d’alene Inn and Conference Center several times as well as retirement facilities and private parties throughout the holidays. Sometimes we sing two to three engagements a day. The local Sweet Adelines Chorus shares in this with us equally as well as the Coeur d’alene Harmonizers doing a few. A day of rest is a rare happening.

It is always sad when the Season is over and then we perk up... Valentine Day is coming!
